Dear Mrs. Manley:

Here is the receipt which I promised to send you for the telegraph stories I sent to the newscasters on the world series games there. I, of course, followed them up with personal visits and telephone calls but this sort of dramatized it. The response was wonderful. Every one of the five guys to whom I sent them used them and talked about the games on the air. Here are the men to whom they were sent:

Stan Lomar W O R
Don Dunphy WINS
Steve Ellis WMCA (you were on with him)
Marty Glickman
 and
Bert Lee WHN

Hope you were pleased with the job done.
